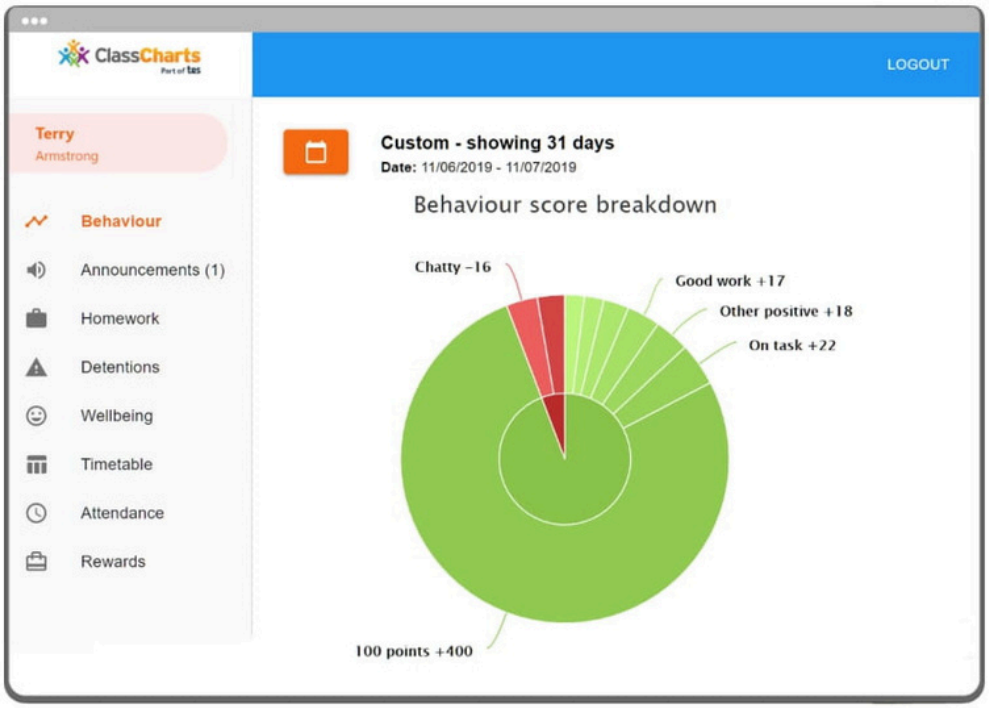
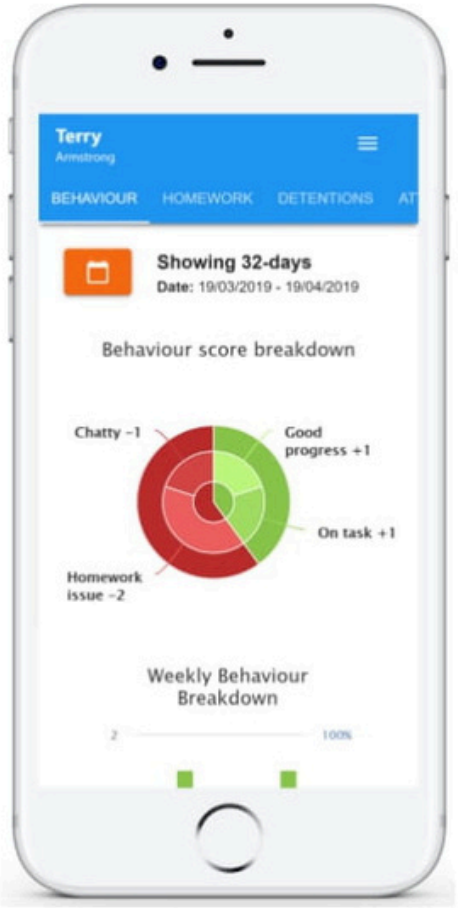
What is Class Charts for pupils?

Class Charts allows you to keep track of your achievements and behaviour, buy rewards from the Reward store, keep track of scheduled detentions and view your timetable

Class Charts for students can be accessed via our website, or by our iOS and Android apps. You can access the student website and links to the student apps at:

https://www.classcharts.com/student/login





You should have received a Student code from your school, which will look similar to the example code shown on the right.

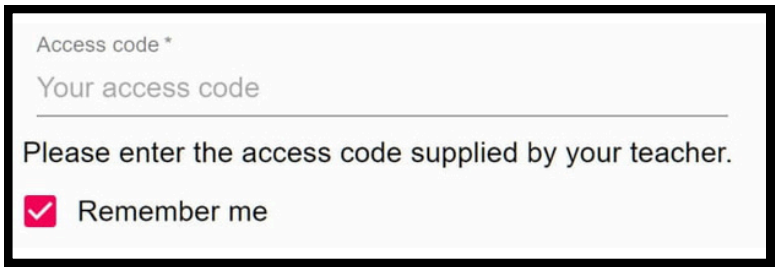
ABC123

This code is used to log into your student account , which is covered on the next page.

Signing up and into to Class Charts

Follow the steps below to access your student account.

1. Go to the Class Charts website or open the Class Charts pupil app, and enter your email address and password into the fields provided.



3. Click on the Log in button.

4. Enter your date of birth if prompted and click on the OK button.

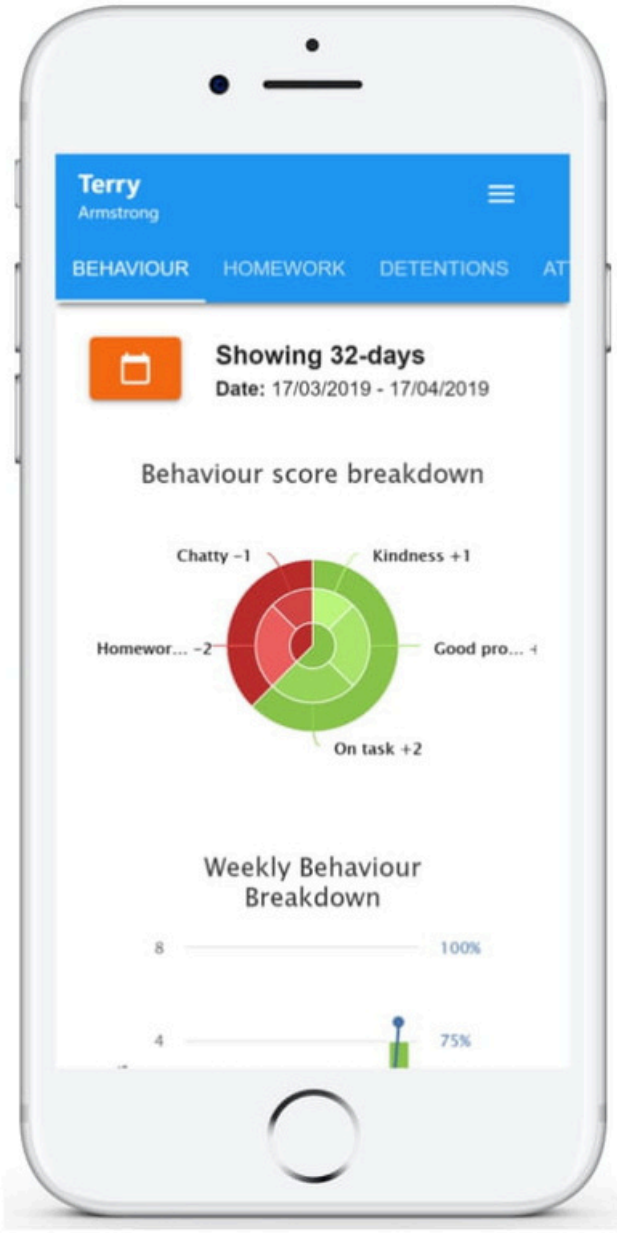
Behaviour

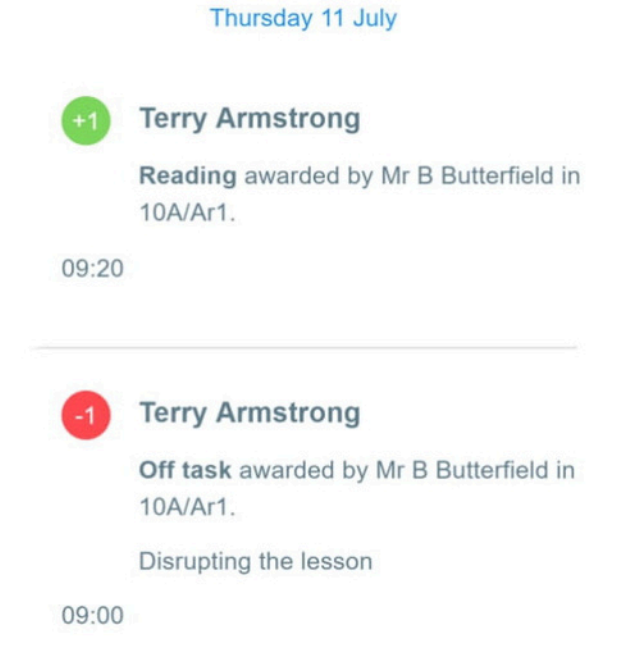
Selecting this tab will display your overall behaviour in the form of a pie chart and a bar graph.

By default, the displayed date range is 31 days. To view a different range of behaviour data, click on the Date button.

Below these graphs you can find a list of behaviour activity. These display the behaviour that was awarded, when it was awarded, who awarded the behaviour, the lesson the behaviour was awarded in, and how many points the award is worth.

The level of detail within each behaviour award depends on the settings that your school has enabled.





Detentions

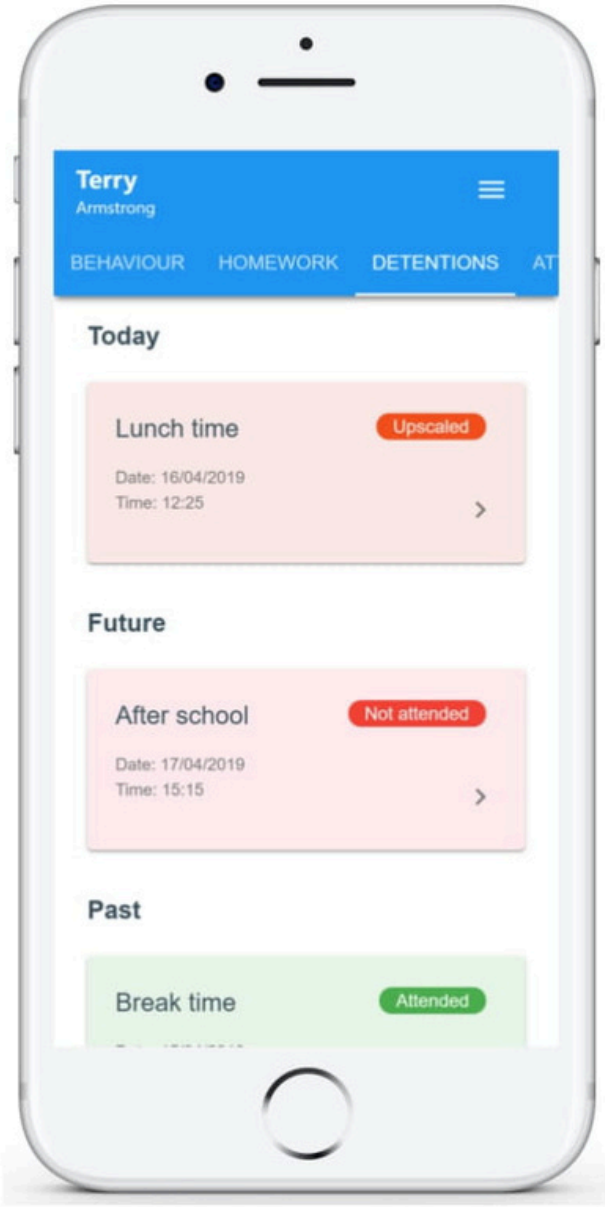
Selecting this tab will display a list of detentions which have been set for you. Detentions fall under 4 categories:

Attended: You have sat this detention.

Not attended: You have not sat this detention

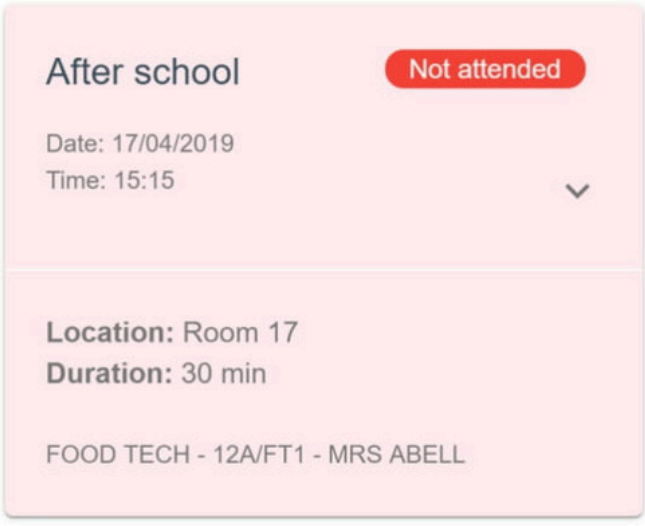
Pending: This detention has not been sat and has not been marked as Attended/Not attended by your teacher

Upscaled: This detention has been escalated into another type of detention.



To view more information about a specific detention, click on the arrow icon.

This will bring up a popup that describes the detention, including the location for the detention, the awarding teacher and scheduling information



Timetables

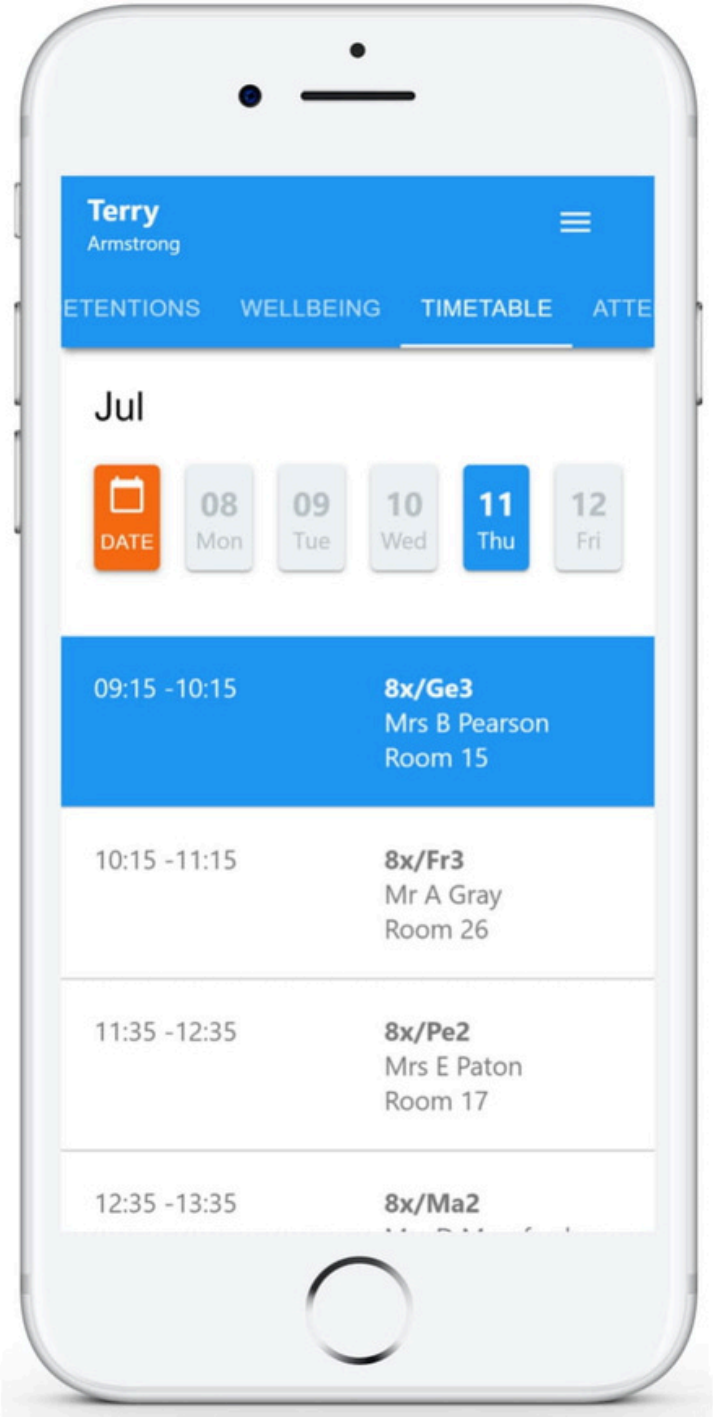
Selecting this tab will present you with your timetable for the current day.

This includes the time of each lesson, the lesson name, the teacher's name and the room where the lesson will take place and the lesson subject.

Your current lesson will be highlighted in blue, as shown on the right.

To view timetable data for another day of the week, click on one of the other displayed dates along the top of the timetable.

To change then displayed week, click on the Date button and select a date from the week of your choice.



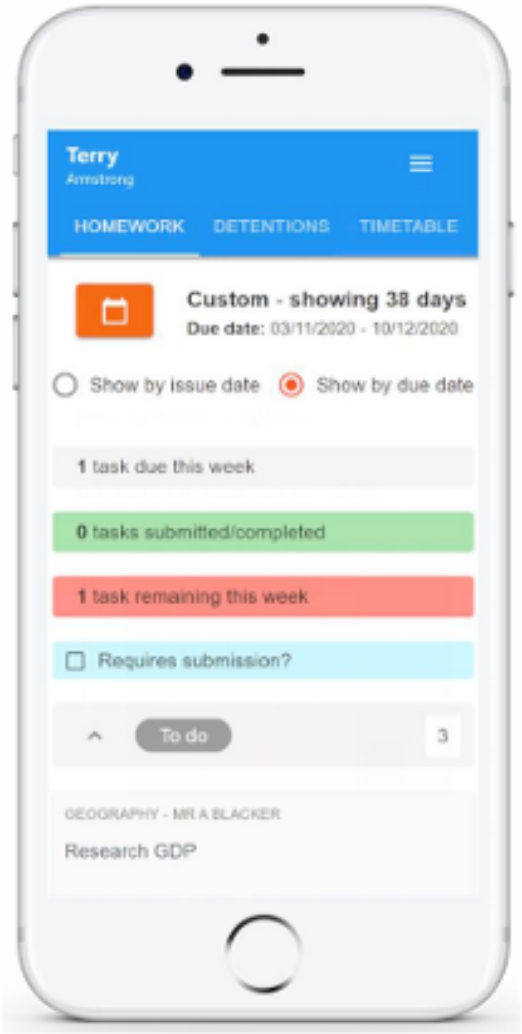
Home Learning

Selecting this tab will display a list of homework tasks which your child has been assigned to.

To change the date range for displayed homework tasks, click on the Date button to select from the available presets or create your own custom date range.

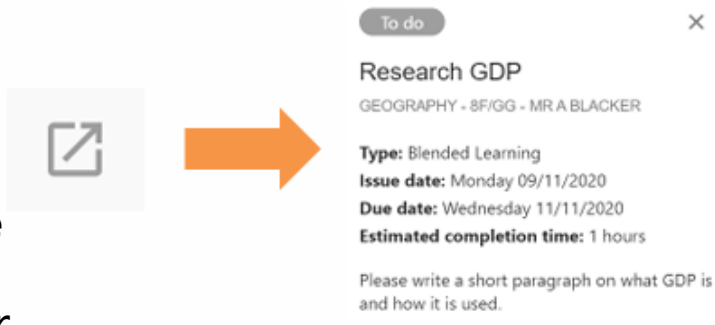
To display tasks in the order they were set, click on the Issue Date button.

To display tasks in the order they are expected to be handed in, click on the Due date button



To view a homework task in more detail, click on the expand icon in the bottom right hand corner of the homework tile.

A popup will appear that contains the a description of the homework task, the estimated completion time and any links or attachments that may have been included



Home Learning - Status Categories

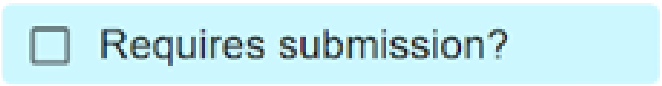
To Do	These are homework tasks that have not been ticked as completed by your child and have not been marked by their teacher
Completed	These are homework tasks that have been ticked as completed by your child but have not been marked by their teacher
Submitted Late	These are homework tasks that have been handed in past the deadline.
Not Submitted	These are homework tasks that were not handed in on time
Submitted	These are homework tasks that have been handed in on time.

Home Learning - Keeping Track

As your child is assigned homework tasks, you may want track of how they are progressing for the current week.

The three banners above the homework status categories count the number of homework tasks that are due this week, how many of those tasks your child has completed and how many tasks they still need to complete

To only see homework tasks that require an attachment submission, tick the checkbox labelled Requires submission



If you are viewing the Homework tab via a desktop or laptop, expanding a homework status category will display a table overview of each homework task for the selected date range:

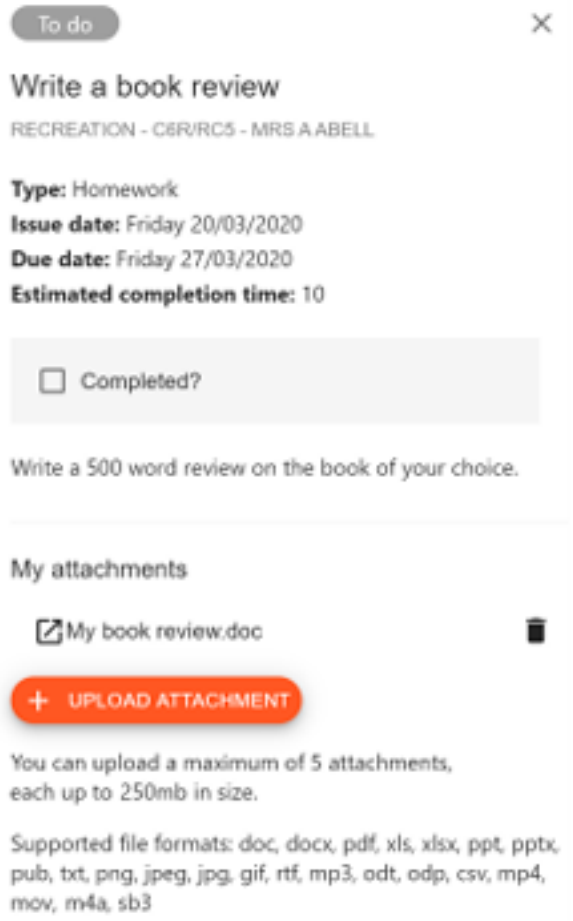
	Homework	Teacher	Lesson	Issued	Due	Estimated time	Type	Feedback
	Research GDP	Mr A Blacker	8F/Gg	Monday 09/11/2020	Wednesday 11/11/2020	1 hours	Blended Learning	
	Write a soliloquy	Mr J Kato	8y/En2	Tuesday 10/11/2020	Tuesday 17/11/2020	30 minutes	Homework	
	Create a poster on French food	Mrs A Abell	7YEL/Fr	Friday 06/11/2020	Thursday 19/11/2020	45 minutes	Homework	Feedback

Home Learning - Attachment submissions

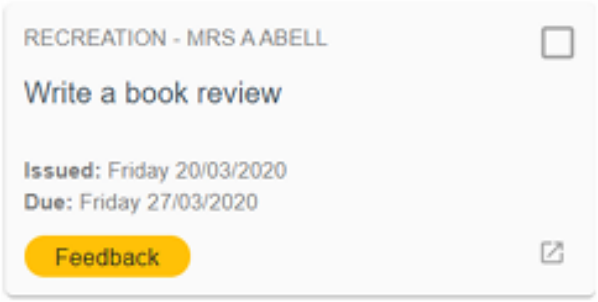
For certain homework tasks, you may be asked by your teacher to upload your work as an attachment.

When viewing a homework task in more detail, you will see the Upload attachment button if your teacher is expecting your work to be uploaded.

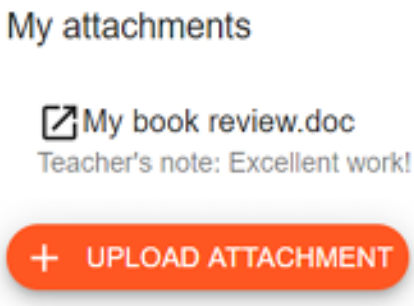
To submit a homework attachment, click on the Upload attachment button and select the files of your choice. Successfully uploaded files will then appear above the button



If your teacher leaves feedback on one of your homework attachments, you will see a Feedback icon appear on the associated homework task.



To view the feedback, click on the expand icon in the bottom right hand corner of the homework tile. Your teacher's feedback will appear directly below your homework attachment



FAQs and Troubleshooting

“I don’t have a student code!”

Please speak to your tutor, who will be able to get your code from IT Support.

If you have any issues with Class Charts, please let your tutor know and they will be able to contact the best person to help with your problem
